Title of the Policy: E-Governance policy

Object:

1. Implementation of E-governance in various functioning of the institution
2. Achieving efficiency in our functioning
3. Promoting transparency and accountability
4. Achieving paperless administration of the institution
5. Facilitating online internal and external communication between various entities of the institution
6. Providing easy access to information
7. Making the institution visible globally

Policy:

1. In order to provide simpler and efficient system of governance within the institution, it is decided to adopt and implement e-governance in maximum activities of our functioning.

2. The institution has already started with e-governance in some aspects of functioning like library, accounts, etc. But, now we have resolved to implement e-governance in many more areas and with this aim in view we have drafted this policy framework.

E-governance in following areas: For convenience purposes, the policy is divided into various areas of operation. These areas of operation are illustrative and the society reserves the right to implement e-governance even in the areas not enlisted herewith.

1. **Website:** The website of the college needs to revamp taking into account the new changes. The website should act as a mirror of the college activities and information about all activities, important notices, etc should be made easily available to the outsiders. For this purpose, a separate service provider/web designer can be appointed by the Principal of the society. Alongwith it, training should be given to the existing staff and persons should be identified who will undertake the responsibility of website administration and updation at the college level.
2. **Accounts:** For ease of maintaining accounts, the society is already using Tally software. But, with new accounting methods and compliances, it has become necessary to procure other softwares as well. Accordingly, requirements should be assessed by the Principal by discussion with accountant and other accounts staff and accordingly new softwares may be purchased. Appropriate security measures should be taken for

maintaining confidentiality of the transactions. Training to the existing staff and updation of the existing softwares must be done on timely basis.

3. **Library:** We have the privilege of having one of the best library in the country. To continue with this legacy, we need to add more and more e-learning resources for the benefit of the teachers and students. Library is presently using KOHA software for its internal working. It needs to updated timely. Also the OPAC system should be converted into a web based service for others to utilize the library resources effectively. Similarly newer e-learning resources like journals, etc should be identified and subscribed taking into account the recommendations of the library advisory committee. Recommendations of the teachers and students also need to taken into account while subscribing to these resources. Appropriate training to the staff and the students for using the e-learning resources should be provided.

4. **Administration:** To provide an hassle free, convenient and cheap process, maximum of the administration of the society should be handled with ICT based technology. Facilities should be provided for online leave management of employees, e copy of salary certificates, internal communication between the employees interse, etc. Students also must be able to obtain maximum services like transfer certificates, bonafide certificates, etc. in online mode.

5. **Examination:** As per the directions of the University, it is mandatory to handle examination in online manner. Filling of examination forms, revaluation forms, photocopy forms, obtaining hall tickets, receiving of examination papers, uploading of marks, etc. everything has to be done in online manner. Utmost secrecy and confidentiality needs to be maintained while handling examinations and work needs to be done utmost care and caution. College Examination Officer needs to supervise the entire process of examination under the guidance of the Principal of the college.

6. **Alumni:** In order to strengthen alumni interaction, a separate alumni portal should be started providing facilities like registration, information of college activities, prominent alumni, milestones achieved by alumni, feedback and many other aspects. For this purpose a separate agreement can be entered into with suitable service providers by the Principal and a separate alumni coordinator at the college level be appointed to take care of the entire activity.

Kindly note your Inter Library Loan (ILL for Books) Password is "mhpresprcp" to be used while registering a request. You are also welcome to send us the bibliographical references at sangs@delnet.ren.nic.in, sangskaul2003@yahoo.co.in for the resources needed by you. We will try our best to locate these resources. We would like to inform you that DELNET has launched WEBVIEW Youtube channel which contains a large number of video recordings of Webinars organised by DELNET including sessions on DELNET resources and services. The link is available at the Discovery Portal. We would further like to inform you that Usage Report can be generated through "USAGE STATISTICS" link which appears at the top side of the landing page of the discovery portal. Kindly use the password as 7128***1992 to download the pdf, containing usage report of your institution.

I would like to mention that DELNET provides access to more than 3.8 crore catalogue records of books, journals, articles, etc. through Discovery Portal and also more than one crore and fifty lakh full-text e-books, e-journals & e-articles through Knowledge Gainer Portal. We are pleased to inform you that DELNET has also recently launched ViSiOn Portal which contains Video Recordings of Lectures on varied subjects. We request you to kindly contribute the video lectures of the Faculty Members of your Institution. Kindly contact us for further assistance. DELNET also provides Delplus software free of charge for library automation purpose. DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis. Also, we are pleased to inform you that DELNET has developed DELDRESS Portal exclusively for Schools, which is of great relevance to the School students, teachers and administrators.

We would also like to mention that DELNET offers DrillBit software for plagiarism detection for an annual subscription of Rs 48,000 (inclusive of GST) for 300 documents checking.

I would also like to inform you that DELNET shall be glad to organise a one hour webinar on DELNET Networked Resources and Services at a mutually convenient date and time for the students, faculty, researchers and scholars of "P. R. E. S's Pravara Rural College of Pharmacy, Dist. Ahmednagar, Maharashtra". It will help in the effective utilisation of DELNET resources and services.

I am enclosing a poster on DELNET and a Certificate of Membership. Please kindly let us know if you wish to get any books on ILL or the journal articles.

With kind regards,

Yours sincerely,

Sangeeta Kaul
