Code of Conduct and Discipline Committee 2023-24

Pravara Rural Education Society's Pravara Rural College of Pharmacy accepts responsibility and pledges to seek at all times to maintain the highest standard of competence and good behavior. To this end, Pharmacy College finds it necessary to codify certain norms that help it to achieve high standard of competence and good behavior. This Code of Conduct has been drawn up for the guidance of the Teachers of Pharmacy college including those engaged in administration, teaching and other supporting services in the performance of their duties. The rules and regulations in this Code should not be regarded merely as a catalogue of offences and penalties or negatively as constituting restraint on member's freedom. They are meant to ensure that the conditions for effective teaching and learning are created and maintained in the college as well as to inspire public confidence in teachers. Code constitutes rules for regulating the conduct of teachers both inside and outside the classroom; it has been reviewed to follow modern trends to incorporate college-related gender-based violence.
