### **-: VISION: -**

To become a center of excellence in pharmaceutical education, training, research and continuous professional development of pharmacists in rural India.

### **- : MISSION: -**

Our mission is to introduce excellence in Pharmacy education through quality education, infrastructure and learning resources to meet the needs of students in pursuit of knowledge. To develop, promote and nurture research activities in pharmaceutical sciences. To make professionally competent and ethical pharmacists of international standard and to cater the needs of rural to global healthcare.

### **-: GOALS:-**

1. To educate and train pharmacists to cater for the needs of society.
2. To promote use of indigenous resources for pharmacy industry.
3. To create excellent research center at college to provide many innovative research methods to develop Institute-Industrial linkages.
4. To develop consortium for consultancy service in education, training, health care with reference to pharmacy profession.
5. To increase the global linkages by attracting international scientific forums for Collaborative educational programmes.
