Minimum credit requirements The minimum credit points required for award of a B. Pharm. degree is 208. These credits are divided into Theory courses, Tutorials, Practical, Practice School and Project over the duration of eight semesters. The credits are distributed semester-wise as shown in Table IX. Courses generally progress in sequences, building competencies and their positioning indicates certain academic maturity on the part of the learners. Learners are expected to follow the semester-wise schedule of courses given in the

syllabus. The lateral entry students shall get 52 credit points transferred from their D. Pharm program. Such students shall take up additional remedial courses of 'Communication Skills' (Theory and Practical) and 'Computer Applications in Pharmacy' (Theory and Practical) equivalent to 3 and 4 credit points respectively, a total of 7 credit points to attain 59 credit points, the maximum of I and II semesters.

Examinations/Assessments

The scheme for internal assessment and end semester examinations is as prescribed by Savitribai Phule Pune University from time to time.

Promotion and award of grades A student shall be declared PASS and eligible for getting grade in a course of B.Pharm.program if he/she secures at least 50% marks in that particular course including internal assessment. For example, to be declared as PASS and to get grade, the student has to secure a minimum of 50 marks for the total of 100 including continuous mode of assessment and end semester theory examination and has to secure a minimum of

25 marks for the total 50 including internal assessment and end semester practical examination.

Carry forward of marks In case a student fails to secure the minimum 50% in any Theory or Practical course as specified in 12, then he/she shall reappear for the end semester examination of that course. However his/her marks of the Internal Assessment shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

Improvement of internal assessment A student shall have the opportunity to improve his/her performance in the Sessional exam component of the internal assessment. The re-conduct of the Sessional exam shall be completed before the commencement of next end semester theory examinations.

Re-examination of end semester examinations Reexamination of end semester examination shall be conducted as per the schedule given in table XIII. The exact dates of examinations shall be notified from time to time.

A lateral entry student shall be eligible to carry forward all the courses of III, IV and V semesters till the VI semester examinations. However, he/she shall not be eligible to attend the courses of VII semester until all the courses of III and IV semesters are successfully completed.

A lateral entry student shall be eligible to carry forward all the courses of V, VI and VII semesters till the VIII semester examinations. However, he/she shall not be eligible to get the course completion certificate until all the courses of III, IV, V and VI semesters are successfully completed.

A lateral entry student shall be eligible to get his/her CGPA upon successful completion of the courses of III to VIII semesters within the stipulated time period as per the norms specified.

Rules for Carry Forward The curriculum (including regulations, structure and syllabi) is in force from academic year 2018-19 and onwards for First Year B. Pharm, for academic year 2019- 20 onwards for Second Year B. Pharm., for academic year 2020-21 and onwards for Third Year B. Pharm., and for academic year 2021-22 and onwards for Final Year B. Pharm.

The learners who were admitted to First Year B. Pharm. of 2015 pattern during the academic year 2017-18 or before & failed in the First Year B.Pharm. of 2015 pattern examination will have to take admission to Semester-III of Second Year B. Pharm. of 2018 pattern in academic year 2019-20 or onwards, provided that

- Their result of F. Y. B. Pharm of 2015 pattern is either pass or fails with A. T. K. T. The said students will have to take up additional remedial courses as follows.
- The learners who were admitted to S.Y B. Pharm. of 2015 pattern during the academic year 2018-19 or before and fail in the S.Y B.Pharm. of 2015 pattern examination will have to take admission to Semester-V of Third Year B. Pharm. of 2018 pattern in academic year 2020-21 or onwards, provided that their result of S. Y. B. Pharm of 2015 pattern is either pass or fails with A. T. K. T. The said students will have to take up additional remedial course as follows.

Sr. No	Remedial courses for admission to S.Y.B.Pharm in Academic Year 2019-20 (Cleared F.Y. B. Pharm as per 2015 Pattern)

01	Medicinal Chemistry I – Theory/ Practical	Semester V	Minimum 50% marks with D grade

Grading of performances

Letter grades and grade points allocations: Based on the performances, each student shall be awarded a final letter grade at the end of the semester for each course. The letter grades and their corresponding grade points are given in Table below:

Percentage of Marks Obtained	Letter Grade	Grade Point	Performance
90.00 – 100	O	10	Outstanding
80.00 – 89.99	A	9	Excellent
70.00 – 79.99	B	8	Good
60.00 – 69.99	C	7	Fair
50.00 – 59.99	D	6	Average
Less than 50	F	0	Fail
Absent	AB	0	Fail

A learner who remains absent for any end semester examination shall be assigned a letter grade of AB and a corresponding grade point of zero. He/she should reappear for the said evaluation/examination in due course.

The Semester grade point average(SGPA)

The performance of a student in a semester is indicated by a number called 'Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses(Theory/Practical) in a semester with credits C₁, C₂, C₃, C₄ and C₅ and the student's grade points in these courses are G₁, G₂, G₃, G₄ and G₅, respectively, and then students' SGPA is equal to:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4 + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and ABS grade awarded in that semester. For example if a learner has a F or ABS grade in course 4, the SGPA shall then be computed as:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4 * \text{ZERO} + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

Cumulative Grade Point Average (CGPA) The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

$$\text{CGPA} = \frac{C_1S_1 + C_2S_2 + C_3S_3 + C_4S_4 + C_5S_5 + C_6S_6 + C_7S_7 + C_8S_8}{C_1 + C_2 + C_3 + C_4 + C_5 + C_6 + C_7 + C_8}$$

where C_1, C_2, C_3, \dots is the total number of credits for semester I, II, III, and
 S_1, S_2, S_3, \dots is the SGPA of semester I, II, III,

Declaration of class

The class shall be awarded on the basis of CGPA as follows

First Class with Distinction	= CGPA of. 7.50 and above
First Class	= CGPA of. 6.00 to 7.49
Second Class	= CGPA of. 5.00 to 5.99

Project work

All the students shall undertake a project under the supervision of a teacher and submit a report. The area of the project shall directly relate any one of the elective subject opted by the student in semester VIII. The project shall be carried out in group not exceeding 5 in number. The project report shall be submitted in triplicate (typed & bound copy not less than 25 pages). The internal and external examiner appointed by the University shall evaluate the project at the time of the Practical examinations of other semester(s). Students shall be evaluated in groups for four hours (i.e., about half an hour for a group of five students). The projects shall be evaluated as per the criteria given below

Evaluation of Dissertation Book:

Objective(s) of the work done	15Marks
Methodology adopted	20Marks
Results and Discussions	20Marks
Conclusions and Outcomes	20Marks

Total

75Marks

Evaluation of Presentation:

Presentation of work	25Marks
Communication skills	20Marks
Question and answer skills	30Marks

Total	75Marks
--------------	----------------

Explanation: The 75 marks assigned to the dissertation book shall be same for all the students in a group. However, the 75 marks assigned for presentation shall be awarded based on the performance of individual students in the given criteria.

Industrial training(Desirable)

Every candidate shall be required to work for at least 150 hours spread over four weeks in a Pharmaceutical Industry/Hospital. It includes Production unit, Quality Control department, Quality Assurance department, Analytical laboratory, Chemical manufacturing unit, Pharmaceutical R&D, Hospital (Clinical Pharmacy), Clinical Research Organization, Community Pharmacy, etc. After the Semester-VI and before the commencement of Semester VII, and shall submit satisfactory report of such work and certificate duly signed by the authority of training organization to the head of the institute.

AND/OR

Every candidate shall be required to undergo any one of the Skill development modules mentioned below (**Duration – Min. 04 weeks**)

- a) Hands on Training (Central instrumentation lab/Machine room etc)
- b) UGC/AICTE recognized online courses (SWAYAM/NPTEL etc)

After the successful completion of the module the candidate shall submit satisfactory report and certificate duly signed by the authority of training organization/Head of the institute

Practice School

In the VII semester, every candidate shall undergo practice school for a period of 150 hours evenly distributed throughout the semester. The student shall opt any one of the domains for practice school declared by the program committee from time to time.

At the end of the practice school, every student shall submit a printed report (in triplicate) on the practice school he/she attended (not more than 25 pages). Along with the exams of semester VII, the report submitted by the student, knowledge and skills acquired by the student through practice school shall be evaluated by the subject experts at college level and grade point shall be awarded.

Award of Ranks

Ranks and Medals shall be awarded on the basis of final CGPA. However, candidates who fail in one or more courses during the B.Pharm program shall not be eligible for award of ranks. Moreover, the candidates should have completed the B. Pharm program in minimum prescribed number of years, (four years) for the award of Ranks.

Award of degree

Candidates who fulfill the requirements mentioned above shall be eligible for award of degree during the ensuing convocation.

Duration for completion of the program of study

The duration for the completion of the program shall be fixed as double the actual duration of the program and the students have to pass within the said period, otherwise they have to get fresh Registration.

Re-admission after break of study

Candidate who seeks re-admission to the program after break of study has to get the approval from the university by paying a condonation fee.

No condonation is allowed for the candidate who has more than 2 years of break up period and he/she has to rejoin the program by paying the required fees.

Any student who has given more than 4 chances for successful completion of I / III semester courses and more than 3 chances for successful completion of II / IV semester courses shall be permitted to attend V / VII semester classes ONLY during the subsequent academic year as the case may be. In simpler terms there shall NOT be any ODD BATCH for any semester.

Note: Grade AB should be considered as failed and treated as one head for deciding academic progression. Such rules are also applicable for those students who fail to register for examination(s) of any course in any semester.

6.Publication of Examination Schedule:

6.1 Final theory examination time tables will be published at least six weeks prior to the commencement of the main examination by the university and for practical at least one week prior to the commencement of practical examination.

6.2 Examination timetable information will be made available to staff and students.

It is the responsibility of each student to:

- a. To identify the dates, times and venues of examinations they are to attend; and,
- b. To notify college examination department of any clashes by the published due date.

7 .Location of examination:

7.1. Venues for examinations must adhere to the University examination standards.

7.2 Seating arrangement of Students will be displayed at notice board half an hour before the starting of the examination.

8.Production of examination papers:

8.1 For internal examination each faculty will submit 1 question paper set in sealed envelop to the college examination officer one hour before examination. College examination officer will do photocopy of the question paper and will distribute to the students.

8.2 For external theory examination University will sent OTP to principal and college examination officer half an hour before examination. Then college examination officer will download the question paper from specified university site and will do the photocopy of it.

9. Examination Supervision:

9.1 Examination supervisors are responsible for the conduct of examinations and for ensuring compliance with this policy. A student must comply with all directions given by the examination supervisor and the supervisor's decision is final.

9.2 supervisor Duty:

- a. To confirm the identity of the students through the hall ticket issued by university.
- b. To see that they are not in possession of any unauthorised device or material .
- c. leave an examination room if a supervisor considers that a candidate's behavior is such as to disturb or distract any other candidate;
- d. surrender any device or material, which the supervisor considers to be unauthorised, for the duration of the exam; and/or
- e. comply with any direction that the supervisor deems necessary to ensure the proper and efficient conduct of the examination.

10.Examination Condition:

10.1 Entry to Examination Room

10.1.1 A person other than the supervisor, or other authorized person¹, may not enter or remain in an examination room during an examination,

10.1.2. A candidate, on entering an examination room, must proceed to the place to which that candidate is directed by the supervisor. A candidate must not leave that place without permission or direction from a supervisor.

10.1.3 A person, whether a candidate or not, who is permitted to enter or leave an examination room must comply with conditions as outlined by the supervisor.

10.2. Starting time

10.2.1. The time listed on the examination timetable is the time when the examination commences. Candidates must not commence writing until the supervisor has given permission.

10.3 Late arrival

10.3.1 Candidates who arrive within the first 30 minutes after the start of an examination will be permitted to undertake that examination but will not be allowed additional time.

10.3.2 Candidates who arrive later than 30 minutes after the start of an examination will not be permitted to undertake that examination.

10.4 Early departure from examination rooms

10.4.1 Except in circumstances related to illness, a candidate must not leave the examination room;

a. During the first 30 minutes of an examination; or

a. during the final 10 minutes of an examination.

10.4.2 Candidates who wish to leave the examination room prior to the scheduled finish time (and within the times specified above) must adhere to instructions provided by the supervisor.

10.5. Illness during examination

10.5.1 If a candidate becomes ill during an examination and temporarily leaves the examination venue, but remains under supervision, no extra time will be allowed for the candidate to complete the examination. In this circumstance the candidate may submit an application for special consideration as per the rule framed by university.

10.5.2 If the candidate decides to continue the examination, the Examination Supervisor may make a decision to move the student to an alternative location, to reduce disruption to other students. The time required for the move will be added to the student's allocated examination time.

10.5.3 If the candidate cannot continue with the examination, the supervisor will note this and report the matter to examination department.

11. Conclusion of examination:

11.1 At the conclusion of the examination all candidates must maintain examination conditions until all papers have been collected and the supervisor has given students permission to leave the examination room.

11.2 Materials in Examination:

11.2.1 Nominated materials permitted in examinations

11.2.1.1 Where specified books or other materials (restricted to open book examinations) are permitted to be taken into an examination, such materials will be limited to those specifically approved by the Lecturer in Charge and such materials will be listed on the examination paper cover sheet.

11.2.1.2 Where an examination is designated 'open book', the relevant text book and allowable materials may be taken into the examination.

11.2.1.3 The supervisor or other authorized person will inspect any such materials to ensure that they comply with the approved list provided by the Lecturer in Charge and do not contain any unauthorized materials.

11.2.1.4 The use of e-books is not permitted in any examination

11.3 Use of dictionaries in examinations

11.3.1 English language dictionaries are not acceptable in an examination room

11.3.2 The dictionary must not contain any notations or any additional material and must be presented to the supervisor for inspection.

11.3.3 Students will be refused permission to use dictionaries that contain notations or additional materials.

11.4 Use of personal electronic devices in examinations

11.4.1 Personal electronic devices may not be brought into or used in an examination room except with the prior approval of the Lecturer in Charge. Such approval must clearly identify the category of electronic device allowed in the specific examination.

11.4.2 Electronic devices which can be approved are restricted to those which are hand-held, internally powered, silent and not capable of wireless communication with other electronic devices.

11.4.3 Calculators and other electronic devices approved for use in an examination must have any programmable memory cleared prior to being brought into the examination room. Non-programmable calculators, where allowed, must have volatile memory only and must not have alpha facilities

11.4.5 A candidate using an authorized electronic device in an examination is responsible for its operation. Any failure or malfunction of the device will not constitute grounds for a deferred examination or other special arrangements.

11.5 Mobile Telephones

11.5.1 Mobile telephones must not be used in an examination room. If a mobile telephone is brought into an examination room, it must be switched off and placed face down on the floor under the candidate's desk. Non-compliance will result in the mobile telephone being confiscated by the Examination Supervisor.

11.6 Availability of Lecturer in Charge

11.6.1 Paper-based examinations

The Lecturer in Charge of a unit, or alternative contact as approved by Principal, must be contactable during the whole of the examination to answer any questions which may arise regarding the examination paper. Examination staff or examination supervisors must not make a determination regarding the content of an examination paper.

12. Interruptions to Examination:

12.1 Where an examination is affected by an unexpected interruption (for example, a power failure, computer/software malfunction, earthquake, bomb threat, fire alarm etc.) the supervisor will implement appropriate immediate action including any action necessary under the Critical Incident Management Policy.

12.2 Minor disruptions to an examination, for a period of 15 minutes or less, will be accommodated by the provision of an equivalent period of additional time added to the end of the allocated examination time by approval of the college examination department

12.3 The principal or college examination officer will determine the appropriate course of action in the event of a significant disruption to an examination. A significant disruption may include repeated minor disruptions in the same examination session.

12.4 In the event of an evacuation of an examination venue, the college examination officer in consultation with the principal will determine which of the following outcomes will apply, with consideration to minimizing disadvantage to students:

a..the examination may be declared void and a new examination scheduled for a date and time within the current examination period;

b..students' examination scripts may be marked and the mark stand;

c..organizing different examination venues;

13. Examination adjustment for students with disabilities or medical condition:

13.1 Permanent disability and/or chronic medical condition

13.1.1. Adjustments to the examination conditions for students with a permanent disability and/or chronic medical condition will be incorporated in Education Inclusion Plans developed by Disability Services.

13.2 Unexpected temporary disability or medical condition

13.2.1 If a student has an unexpected temporary disability or medical condition, the student may apply for special adjustments to examination arrangements through submission of the relevant documents to college examination department

13.2.2 If, due to the timing of the request, the college examination department can give extra time as per the regulations given in university

13.3 Notification of examination adjustment and special adjustment requirements

13.3.1 Students with a disability and/or medical condition should consult a Disability Adviser to register for examination adjustments as early as possible, preferably at the time of enrolment and no later than the census date of the relevant study period.

14. Collection of Examination papers:

14.1 supervisor must collect all the answer sheet from the student and submit to college examination department.

15. Missing Examination papers or answer sheet:

15.1 In the event of examination papers, writing booklets or answer sheets being lost, stolen or destroyed, the college examination officer in consultation with the principal will determine a course of action for those students who have been directly affected so as to minimize disruption or disadvantage to those students.

16. Deferred Examination:

16.1 Internal Based Deferred Examination:

16.1.1 Application:

16.1.1.1. Where a candidate is unable to attend an examination due to illness or other exceptional circumstance (beyond their control) the candidate is required to submit the relevant documentation for an internal examination to the college examination department.

16.1.1.2 College examination department will verify the documents submitted by student and will set a new time table for the examination.

17 Publication of past examination paper:

17.1 All the past examination papers will be kept in library from where the students can access it.

18. Breach of Policy:

18.1. Expulsion from examination room

18.1.1 An Examination supervisor may expel any candidate from the examination room, where that candidate is believed to be in breach of this policy.

18.1.2 Report and investigation:

An Examination Supervisor must report any alleged breach of this policy to the College Examination Officer, who will refer the matter to the relevant authority.

18.1.3 Any alleged breach of the examination conditions will be referred to the College Examination Officer who may:

- a. issue a formal warning; or

Promotion and award of grades A student shall be declared PASS and eligible for getting grade in a course of B.Pharm. program if he/she secures at least 50% marks in that particular course including internal assessment. For example, to be declared as PASS and to get grade, the student has to secure a minimum of 50 marks for the total of 100 including continuous mode of assessment and end semester theory examination and has to secure a minimum of 25 marks for the total 50 including internal assessment and end semester practical examination.

Carry forward of marks In case a student fails to secure the minimum 50% in any Theory or Practical course as specified in 12, then he/she shall reappear for the end semester examination of that course. However his/her marks of the Internal Assessments shall be carried over and he/she shall be entitled for grade obtained by him/her on passing.

Improvement of internal assessment A student shall have the opportunity to improve his/her performance in the sessional exam component of the internal assessment. The re-conduct of the Sessional exam shall be completed before the commencement of next end semester theory examinations.

Re-examination of end semester examinations Reexamination of end semester examination shall be conducted as per the schedule given in table XIII. The exact dates of examinations shall be notified from time to time.

The Semester grade point average (SGPA)

The performance of a student in a semester is indicated by a number called 'Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses (Theory/Practical) in a semester with credits C₁, C₂, C₃, C₄ and C₅ and the student's grade points in these courses are G₁, G₂, G₃, G₄ and G₅, respectively, and then students' SGPA is equal to:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4 + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and ABS grade awarded in that semester. For example if a learner has a F or ABS grade in course 4, the SGPA shall then be computed as:

$$\text{SGPA} = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4 * \text{ZERO} + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

Cumulative Grade Point Average (CGPA) The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

$$\text{CGPA} = \frac{C_1S_1 + C_2S_2 + C_3S_3 + C_4S_4 + C_5S_5 + C_6S_6 + C_7S_7 + C_8S_8}{C_1 + C_2 + C_3 + C_4 + C_5 + C_6 + C_7 + C_8}$$

where C₁, C₂, C₃,... is the total number of credits for semester I, II, III,.... and S₁, S₂, S₃,... is the SGPA of semester I, II, III,....
