## FREE SKILL DEVELOPMENT COURSES

PRAVARACARE is an initiative by PRES towards development of skill amongst the youth, simultaneously benefitting them financially, in consonance with the Central Govt. & State Govt. skill development schemes viz, PMKVY and PMKVUA. A very small proportion of India's workforce has any formal skill training. In this context, skill development has become a key primacy area for our country. This is not only essential for economic development, but would help to achieve youthful aspirations for better remuneration, better job satisfaction and promising self-employment opportunities. These courses will be conducted at all colleges of PRES & will be available free of cost to the students.

Minimum Eligibility	: Passed Class 7 & upto Graduate Level.
Age Limit	: 14 to 40 years
Registration Fees	: Free of cost
Duration	: 2 to 3 Months
Job Guarantee	: 100%
Batch Size	: 20 to 30 Students

## ACTIVITY REPORT

Name of the activity: Personality development

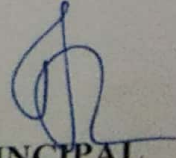

Date: 14/01/2017

University of Pune sanctioned a grant for year 2016-17 under personality development scheme to our college total 03 expert lecture on various topics were organized on various subjects for the girls of B. Pharmacy. Arrangement for the lectures was made in the seminar hall for power point presentations. Total 234 students benefited with this workshop on personality development. Students of backward class also benefitted with the scheme.

Personality development program really help the students by improving their knowledge with various aspects related with them. They are going to achieve their education goals through this knowledge. We really appreciate the efforts taken by the university to organize these events for colleges. The university is routinely taking such efforts for students and releasing the grants for motivating the college to conduct such activity. We thanks to the Vice chancellor, Director Board of student's welfare and their staff members for helping us. This will also improve the teaching skills of the college teachers. The session was fruitful and was attended by 11 teaching, 02 non teaching staff and 234 students.

## ACTIVITY REPORT

Name of the activity: **Personality development program**

Date: 3/02/2016

University of Pune sanctioned a grant for year 2015-16 under personality development scheme to our college total 03 expert lecture on various topics were organized on various subjects for the girls of B. Pharmacy. Arrangement for the lectures was made in the seminar hall for power point presentations. Total 165 students benefited with this workshop on personality development. Students of backward class also benefitted with the scheme.

Personality development scheme really help the Girls by improving their knowledge with various aspects related with them. They are going to achieve their education goals through this knowledge. We really appreciate the efforts taken by the university to organize these events for colleges. The university is routinely taking such efforts for students and releasing the grants for motivating the college to conduct such activity. We thanks to the Vice chancellor, Director Board of student's welfare and their staff members for helping us. This will also improve the teaching skills of the college teachers. The session was fruitful and was attended by 5 teaching and 2 nonteaching staff and 165 students

## ACTIVITY REPORT

Name of the activity: Personality Development workshop.

University of Pune sanctioned a grant for year 2014-15 under personality development scheme to our college total 03 expert lecture on various topics were organized on various subjects for the girls of B. Pharmacy. Arrangement for the lectures was made in the seminar hall for power point presentations. Total 176 students benefited with this workshop on personality development. Students of backward class also benefitted with the scheme.

Personality development scheme really help the Girls by improving their knowledge with various aspects related with them. They are going to achieve their education goals through this knowledge. We really appreciate the efforts taken by the university to organize these events for colleges. The university is routinely taking such efforts for students and releasing the grants for motivating the college to conduct such activity. We thanks to the Vice chancellor, Director Board of student's welfare and their staff members for helping us. This will also improve the teaching skills of the college Students, teachers, non teaching staff.

The session was fruitful and was attended by 10 teaching and 2 non teaching staff and 176 students.
