## MEDICINAL HERBAL GARDEN

Pravara Rural College of Pharmacy has a well maintained Medicinal Herbal Garden in accordance with the norms of Pharmacy Council of India, the regulatory body pertaining to Pharmacy.

The special feature of the Medicinal Herbal Garden is that it is maintained by the following:

**Earn and Learn Students:** The institution since inception has followed the earn and learn policy enabling economically backward children of farmers to live and get quality education in a dignified manner. The earn and learn policy of the institution has been in practice even prior to it being adopted by the Government/ Affiliating University. At the end of each month depending upon the work done by the Earn & Learn students, the salary is credited to their accounts.

### **Importance of the Medicinal Herbal Garden:**

- The subject Pharmacognosy is included in the syllabus from Second Year B. Pharmacy till First Year B. Pharmacy in various forms: Pharmacognosy & Phytochemistry-I, Medicinal Plant Biotechnology, Natural Product Chemistry, Natural Drug Technology etc.
- The Institution also has a Masters Programme in Pharmacognosy and the syllabus includes subjects like Advanced Pharmacognosy, Phytochemistry, Medicinal Plant Biotechnology, Herbal Cosmetics, Indian Systems of Medicine etc.

The Medicinal Herbal Garden is useful for studying all the above either serving as a source to study the Morphology or as a source for raw material for practicals.
